Here is a little information about Carolyn Doran:

After initially riding hunters and jumpers, Carolyn Wade Doran has been involved in dressage for about 30 years. She is a "R" dressage judge, and a "r" combined training judge. She competes in dressage herself, and believes that competition should be a positive and an educational experience for both horse and rider. She does her riding early in the morning, before going to work as an attorney in health care law.

Cavalía

Look Out Las Vegas—CAVALIA is Coming to Town!

*Grand-scale Equestrian Spectacle Featuring 49 Horses and 35 Artists
Makes Exclusive Las Vegas Debut November 16 at the Rio All-Suite Hotel & Casino*

Tickets for the exclusive Las Vegas engagement go on sale Friday, September 22.

Unlike any production created to date, *Cavalía* is a lavish orchestration of equestrian arts, acrobatics, aerial feats, live music, and dance that unfolds across a 160-ft. wide stage. Featuring a cast of 49 horses and 35 artists, the show explores the timeless relationship between horses and humans throughout history, while transporting spectators to dream-like virtual settings with dazzling special effects. Water screens, snow, and falling leaves enhance the magic of stunning sets created through multimedia projections and the artistry of light. Renowned European “horse-whisperer” Frédéric Pignon and his wife, world-class rider Magali Delgado (the equestrian co-directors), bring an approach to horses marked by kindness and respect.

To date, *Cavalía* has performed nearly 700 shows on its North American tour and visited 12 major cities, earning rave reviews in Los Angeles, San Francisco, Dallas, Houston, San Diego, Phoenix, Seattle, Boston, Washington, DC, Toronto, Montreal, and Quebec City. Staged inside a custom-designed 26,264-sq. ft. Big Top, with 2,000 seats arranged theater-style, *Cavalía* showcases the extraordinary talents of an equine cast (nearly half are stallions) that includes Lusitanos, Quarter Horses, Canadian Horses, Percherons, Belgian, Spanish horses, Friesians, and Appaloosas.

For its exclusive run in Las Vegas, *Cavalía* will take place under the White Big Top at the Rio All-Suites Hotel & Casino. Tickets for the exclusive Las Vegas engagement go on sale Friday, September 22. Tickets are priced: \$30.00 to \$95.00. Children 12 and under: \$15.00 to \$75.00. ***Cavalía Rendez-Vous* packages, which include a fine selection of hors d'oeuvres and refreshments, including wine and beer, a special souvenir, and an exclusive behind-the-scenes tour to the Cavalía Stables after the show, are also available** (starting at \$175 for adults, \$85 for children 12 and under). Prices are subject to service fees. For more information and reservations, call 1-866-999-8111 or visit the Web site at www.cavalía.net.
